

NATIONAL INTEGRATION ONLINE INTER-COLLEGE ESSAY COMPETITION

Nation Integration is the awareness of a common identity among the citizens of a country, this means that although we belong to different castes, religions and speak different languages, we recognize the fact that we are all one. It is not just a national feeling, but the spirit which brings people of all dialects and beliefs together in a similar endeavour. Furthermore, National Integration is crucial for creating a strong, united country which is an essential pre-condition for all progress and prosperity of India.

With this in mind and with the objective to make students aware of importance of national integration for our country and since today's student are tomorrows' nation. The National Integration Committee in collaboration with IQAC of Raja Peary Mohan College organised an online inter-college essay competition.
