**Study Tour annual Report of Dept. of Botany for the academic session: 2021-2022**

Botany is a Natural Science so study of nature is mandatory here. Keep this idea in mind the syllabus committee has incorporated the field trips in every semester course which are organized by the department and the students are also participated in those course to developed a clear idea about the subject of Botany. It is done to explore plant biodiversity of different altitudes/area and studying ecology under the guidance of faculty teachers.

Fulfillment of this purpose a field work/study tour was organized by the Botany Dept. on: 22/04/2022 (Friday) at Indian Museum, Kolkata-700016, West Bengal. During field work/study tour, an essay competition on the topic ‘**Earth Day: Invest in our Planet**’ was organized by BSI (Botanical Survey of India) on 22/04/2022 (Friday) & our students participated and achieved the top three ranks-1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup>.

A list of students participated in Field work/study tour held on 22/04/2022 (Friday) at Indian Museum, Kolkata-700016, West Bengal is given below:

<b><u>Field Work/Study Tour conducted on: 22/04/2022 (Friday)-at Indian Museum, Kolkata-700016, West Bengal (Session: 2021-22)</u></b>				
Name of the Students	Phone Number & E-mail	Gender	College Roll Numbers	Place
Sem-VI Hons.				<u>Indian Museum, Kolkata-700016, West Bengal</u>
i) Mr. Akaitab Basak	Phone No: 9477561568 E-mai: akaitabbasak@gmail.com	Male	B.Sc./19/064	<u>Indian Museum, Kolkata-700016, West Bengal</u>
ii) Mr. Puspendu Malick	Phone No: 9062918911 E-mai: puspendumalik742@gmail.com	M	B.Sc./19/018	<u>Indian Museum, Kolkata-700016, West Bengal</u>
iii) Mrs. Sohini Datta	Phone No: 7044496131 E-mai: sohinidatta2019@gmail.com	Female	B.Sc./19/157	<u>Indian Museum, Kolkata-700016, West Bengal</u>

**FIELD TRIP REPORT OF BOTANY IN SESSION: 2021-22**

Place of visit: **Indian Museum, Kolkata-700016, West Bengal.**

Date: **22/04/2022 (Friday)**

**Objective of the field trip:**

- i) The major objective of field work/study tour in Botany is to familiarize the students with the local, native or exotic flora and ecology of a selected place/region.
- ii) It also help to acquaint the students with the importance of wetlands and the threats of ecosystems due to natural and anthropogenic activities
- iii) It helps the students to reinforce experiential and contextual learning. Study tour is a way of enhancing classroom learning by making real world connections.
- iv) It exposes the students to different lifestyles, places and eras. Going on a field work enhances their critical thinking skills and gives students a chance to think about a topic or theme from a different perspective.

Therefore, a field work/study tour gives the students a chance to experience and explore biodiversity of flora of new areas, places or region/country.

**Description of the work in brief:**

Botany is a Natural Science so study of nature is mandatory here. Keep this idea in mind the syllabus committee has incorporated the field trips in every semester course which are organized by the department and the students are also participated in those course to developed a clear idea about the subject of Botany. It is done to explore plant biodiversity of different altitudes/area and studying ecology under the guidance of faculty teachers.

Fulfillment of this purpose a field trip was organized by the department for the semesters- IV & VI (Hons.) students in this session: 2021-22 on **22/04/2022 (Friday)** at Indian Museum, Kolkata-700016, West Bengal under the guidance of faculty teachers-Dr. BKP & Dr. S.M.

**Indian Museum, Kolkata** is an institution which is under the Ministry of Culture, Government of India. It is the largest and oldest museum in India. The history of the origin of the Indian Museum is one of the remarkable events towards the development of heritage and culture in India. It was founded in 1814 under the guidance of Dr. Nathaniel Wallich. Interesting and curious objects which were collected from various parts of this country were deposited in this museum. A list of gifts consisted of 174 items which were donated by 27 Europeans and were kept here.

### Outcome:

A field trip is one of the best ways to see our nature very closely and it provides every student with real-world experiences. During the field trip, an essay competition on the topic **‘Earth Day: Invest in our Planet’** was organized by BSI (Botanical Survey of India) on 22/04/2022 (Friday) & our students participated and achieved the top three ranks-1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup>.
