**Annual Report of Regular Activities of N.S.S Unit- I & II during the academic session: 2020-2021.**

**Introduction:**

Both the NSS Units (I&II) of Raja Peary Mohan College, Uttarpara, Hooghly are always remaining in touch with local community through carrying out new programmes and events. The extension activities of social works have been expanded which are related with higher education.

NSS volunteers work with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic session.

As per the principles of **National Service Scheme (NSS)**, a volunteer is expected to remain in constant touch with the society. As the NSS volunteers are to live with the members of the community and learn from their experience during his/her tenure in NSS, thus, the regular activities have immense importance to upgrade our village/slum area and for the benefit of society in which we belong.

The **Motto** of NSS is "**Not Me but You**" that reflects the essence of democratic living and upholds the need for self-less service for our society. NSS helps the students to develop appreciation to other person's point of view and also show consideration to other living beings.

**Moto of N.S.S.**

**Aims & objectives of National Service Scheme (NSS) are mentioned below:**

It enables students to actively offer their time and execute talents for the betterment of society and our country, thereby assisting in the development of their personalities. As a result, the NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities, to acquire leadership qualities and, as a result, become responsible citizens of India.

The following programmes were conducted jointly by NSS Units -I and II as regular activities for the academic session 2020-21. As per the instruction, all activities organized by **the NSS cell, University of Calcutta** are treated as regular activities for the colleges.
