UTTARPARA, HOOGHLY

Both the NSS Units of Raja Peary Mohan College, Uttarpara, Hooghly are always remaining in touch with local community through carrying out new programmes and events. The extension activities of social works have been expanded which are related with higher education. NSS volunteers work with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic session.

As per the principles of **National Service Scheme(NSS)**, a volunteer is expected to remain in constant touch with the society. As the NSS volunteers are to live with the members of the community and learn from their experience during his/her tenure in NSS, thus, the regular activities have immense importance to upgrade our village/slum area and for the benefit of society in which we belong.

The **Motto** of NSS is "**Not Me but You**" that reflects the essence of democratic living and upholds the need for self-less service for our society. NSS helps the students to develop appreciation to other person's point of view and also show consideration to other living beings.

**National Service Scheme (NSS)** has given an opportunity to serve our society and community in which we belong. **NSS Unit of Raja Peary Mohan College**, Uttarpara, Hooghly, West Bengal, India was working from the year **2004** to develop social and civic awareness and responsibilities among the under graduate college students which affiliated on 2007 under the **NSS Cell of University of Calcutta**.

In each academic year, two programme officers (P.O.) start student enrollment at **NSS Room at ground floor in our college**. Particularly, willing students participate in this enrollment programme. For the academic year 2021-2022, we enrolled about 100 NSS volunteers for each of the Units- I and II respectively.

Few objectives of **National Service Scheme (NSS)** are mentioned below:

- i) To understand the society in which they belong and do some works for the benefit of it which are very needful.
- ii) Identify the needs and serious problems of the community and involvement of NSS volunteers to solve the problems as they can do.
- iii) It develops of a sense of social and civic responsibility among the students.
- iv) Utilization of their knowledge for solutions of practical problems of individuals and community.
- v) To develop competence that required for group-living and sharing of responsibilities
- vi) To acquire leadership qualities and democratic attitudes
- vii) To develop ability to meet emergencies and natural disasters
- viii) To generate national integration and communal harmony for feelings of unity.

The following programmes were conducted jointly by NSS II as regular activities for the academic session 2021-22

On 05/06/2021- our NSS unitcelebrate ‘World Environment Day’ to spread the awareness that how to make the environment clean and healthy.
