The NSS Unit 1 of Raja Peary Mohan College, Uttarpara, Hooghly are always remaining in touch with local community through carrying out new programs and events. The extension activities of Social Works have been expanded which are related with higher education.

NSS Volunteers work with villages, slums and voluntary agencies to complete 120 hours of regular activities during an academic session.

As per the principles of **National Service Scheme (NSS)**, a volunteer is expected to remain in constant touch with the society. As the NSS volunteers are to live with the members of the community and learn from their experience during his/her tenure in NSS, thus, the regular activities have immense importance to upgrade our village/slum area and for the benefit of society in which we belong.

The **Motto** of NSS is "**Not Me but You**" that reflects the essence of democratic living and upholds the need for self-less service for our society. NSS helps the students to develop appreciation to other person's point of view and also show consideration to other living beings.

National Service Scheme (NSS) has given an opportunity to serve our society and community in which we belong. **NSS Unit of Raja Peary Mohan College**, Uttarpara, Hooghly, West Bengal, India was working from the year **2004** to develop social and civic awareness and responsibilities among the under graduate college students which affiliated on 2007 under the **NSS Cell of University of Calcutta**.

In each academic year, two programme officers (P.O.) start student enrollment at **NSS Room at ground floor in our college**. Particularly, willing students participate in this enrollment programme. For the academic year **2022-2023**, we enrolled about 100 NSS Volunteers.

Few objectives of **National Service Scheme (NSS)** are mentioned below:

- i) To understand the society in which they belong and do some works for the benefit of it which are very needful.
- ii) Identify the needs and serious problems of the community and involvement of NSS volunteers to solve the problems as they can do.
- iii) It develops of a sense of social and civic responsibility among the students.
- iv) Utilization of their knowledge for solutions of practical problems of individuals and community.
- v) To develop competence that required for group-living and sharing of responsibilities
- vi) To acquire leadership qualities and democratic attitudes..
- vii) To develop ability to meet emergencies and natural disasters.
- viii) To generate national integration and communal harmony for feelings of unity.

The following Programmes were conducted jointly by NSS Units -I and II as regular activities for the academic session 2022-2023. As per the instruction, all activities organized by **the NSS cell, University of Calcutta** are treated as regular activities for the colleges.

The aim of the Regular activities is to bring youth face to face with the community and make efforts to improve their life.

Dengue Awareness Programme

On September 2nd, 2022, a survey and rally on "Dengue Awareness" was conducted in a slum area, organized by NSS unit 1 student from our college. They actively shared their knowledge, raising awareness about the dangers of dengue fever. Dengue, a viral disease transmitted through Aedes mosquito bites, can lead to fatalities if untreated. Symptoms include high fever, severe headache, eye pain, muscle pain, rashes, fatigue, diarrhea, and vomiting. NSS unit 1 volunteers distributed informational leaflets about dengue to the local community. The program officer addressed questions about the virus, its transmission, and recommended preventive measures. The event aimed to educate and empower the community to take necessary precautions and combat the spread of dengue.

World AIDS Day

Acquired Immunodeficiency Syndrome (AIDS) is a serious global health condition caused by the Human Immunodeficiency Virus (HIV). HIV weakens the immune system, making the body susceptible to various infections and diseases. AIDS is the final stage of HIV infection, characterized by severe immune system damage, leading to life-threatening illnesses. The virus is primarily transmitted through unprotected sexual contact, sharing needles, and from mother to child during childbirth or breastfeeding. Since its discovery, efforts to prevent and treat HIV/AIDS have advanced significantly, yet the disease remains a major public health concern. Awareness campaigns, education, and access to antiretroviral therapy are vital components in controlling the spread of HIV and improving the quality of life for those affected by AIDS.

On December 1st, 2022, our **NSS Unit-I** organized a meaningful observance of World AIDS Day within the college premises. The event aimed to raise awareness about HIV/AIDS and its impact. Activities included informative talks, discussions, and awareness campaigns to educate students and faculty about prevention, transmission, and support for individuals affected by HIV. The NSS Unit's involvement showcased their dedication to spreading awareness and promoting responsible behavior. Through this event, they contributed to breaking the stigma associated with HIV/AIDS and emphasized the significance of unity in combating this global health challenge.

Pre Celebration of National Youth Day

Date: 11th January 2023

Youth Day celebrates the vitality, creativity, and potential of young minds. It's a platform to acknowledge their role in shaping the future. Through various activities, discussions, and events, Youth Day inspires and empowers the youth to make positive contributions to society and embrace leadership roles.

NSS Unit 1 of Raja Peary Mohan College marked Youth Day with a spirited quiz contest orchestrated by the NSS. The event was a vibrant fusion of intellectual stimulation and youthful enthusiasm. Students showcased their knowledge across diverse subjects, fostering healthy competition. The quiz not only celebrated the potential and creativity of the youth but also promoted camaraderie and learning. The NSS unit's initiative demonstrated its commitment to engaging young minds constructively, aligning with the essence of Youth Day in fostering growth, leadership, and a sense of responsibility among the next generation.

Netaji Birth Day Celebration

Date – 23rd January 2023

Netaji Subhas Chandra Bose was a prominent Indian nationalist leader and a key figure in India's struggle for independence against British colonial rule. Born on January 23, 1897, in Cuttack, Odisha, Bose was known for his unwavering determination and innovative strategies.

He played a pivotal role in establishing the Indian National Army (INA) during World War II, seeking support from Japan and Germany to liberate India from British rule. His famous slogan, "Give me blood, and I shall give you freedom," inspired countless Indians to join the struggle for independence.

Bose's advocacy for complete independence led to his differences with Mahatma Gandhi and the Indian National Congress. He believed that armed struggle was necessary to achieve freedom. His mysterious disappearance in 1945 has given rise to various theories, but his legacy as a fearless leader, nationalist, and patriot remains deeply ingrained in India's history.

Netaji Subhas Chandra Bose's contributions continue to inspire generations, reflecting his unwavering commitment to India's liberation and his vision of a free and prosperous nation. His birthday is celebrated as "Parakram Diwas" to honor his legacy and dedication to the country's independence struggle.

NSS Unit 1 at Raja Peary Mohan College commemorated Netaji Subhas Chandra Bose's birthday with utmost reverence and enthusiasm. The celebration featured insightful talks, discussions, and a homage-paying ceremony to honor Netaji's contributions to India's freedom struggle. The event highlighted his unwavering spirit and visionary leadership, inspiring students to embrace patriotism and selfless service. Through this commemoration, the NSS unit aimed to instill a sense of national pride and social responsibility among the youth, aligning with Netaji's ideals. The celebration not only paid tribute to a remarkable leader but also reinforced the NSS unit's commitment to nurturing conscientious citizens for a better India.
