About Our College:

RAJA PEARY MOHAN COLLEGE was founded on 20th June, 1887 by an eminent philanthropist, promoter of education and social reformer in the nineteenth century Bengal, Raja Joykrishna Mukherjee, an benevolent zamindar of Uttarpara, in the Hooghly District of West Bengal.

The college is situated in a place which is very near to the famous Grand Trunk Road and just on the opposite bank of the Hooghly river of the famous temple of Goddess Kali at Dakshineswar. Exactly, 135 years ago from now, with thirty one students Raja Joykrishna Mukherjee established this Higher educational Institution with the vision and mission to achieve excellence in higher education and equip and empower students with relevant knowledge, competence and creativity, spread female education and practice inclusive growth for socio-economic change and sustainable development for the society. Unfortunately, Joykrishna Mukherjee breathed his last in 1888 only one year after the foundation of the College. The college came under the benevolent patronage, Raja Peary Mohan Mukherjee., worthy son and successor of the late Joykrishna Mukherjee. Throughout his life Raja Peary Mohan spent huge sum of money for the College and it was in the fitness of things that the College was renamed after his memory in function held on 4th of October 1953.

Raja Peary Mohan College is a general purpose college in Hooghly District of West Bengal, India under the University of Calcutta. It offers undergraduate level courses in various arts, commerce and science subjects. The college is a popular institution for undergraduate study in the neighborhood of Uttarpara, the Hooghly district, Howrah and the North 24 Parganas..

The College has been a torchbearer of higher education in the district of Hooghly since then. However, even after 135 years, the core values that guided the ideals of the founder of this College haven't changed much. We remain committed to follow the path shown by him, yet have kept pace with the changing times. Today, the college with a glorious past has truly evolved into an institution with modern facilities.

About NSS:

INTRODUCTION:

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary

association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage.

HISTORY:

In India, the idea of involving students in the task of national service dates back to the times of Mahatma Gandhi, the father of the nation. The central theme which he tried to impress upon his student audience time and again, was that they should always keep before them, their social responsibility.

The first duty of the students should be, not to treat their period of study as one of the opportunities for indulgence in intellectual luxury, but for preparing themselves for final dedication in the service of those who provided the sinews of the nation with the national goods & services so essential to society.

Advising them to form a living contact with the community in whose midst their institution is located, he suggested that instead of undertaking academic research about economic and social disability, the students should do “something positive so that the life of the villagers might be raised to a higher material and moral level”.

The post-independence era was marked by an urge for introducing social service for students, both as a measure of educational reform and as a means to improve the quality of educated manpower. The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

The idea was again considered by the Central Advisory Board of Education (CABE) at its meeting held in January, 1950. After examining the various aspects of the matter and in the light of experience of other countries in this field, the Board recommended that students should devote some time to manual work on a voluntary basis and that the teachers should also associate with them in such work. In the draft First Five Year Plan adopted by the Government of India in 1952, the need for social and labour service for students for one year was further stressed. Consequent upon this, labour and social service camps, campus work projects, village apprenticeship scheme etc. were put into operation by various educational institutions, In 1958, the then Prime Minister Pandit Jawaharlal Nehru in his letter to the Chief-Ministers, mooted the idea of having social service as a prerequisite for graduation. He further directed the Ministry of Education to formulate a suitable scheme for introduction of national service into the academic institutions.

In 1959, a draft outline of the scheme was placed before the Education Minister's Conference. The Conference was unanimous about the urgent need for trying out a workable scheme for national service. In view of the fact that education as it was imparted in schools and colleges, left something to be desired and it was necessary to supplement it with programmes which would arouse interest the social and economic reconstruction of the country. It was viewed that if the objectives of the scheme were to be realized, it was essential to integrate social service with the educational process as early as possible. The Conference suggested the appointment of a committee to work out details of the proposed pilot project. In pursuance of these recommendations, a National Service Committee was appointed under the Chairmanship of Dr. C.D. Deshmukh on August 28, 1959 to make concrete suggestions in this direction. The committee recommended that national service for a period of nine months to a year may be made compulsory for all students completing high school education and intending to enroll themselves in a college or a university. The scheme was to include some military training, social service, manual labour and general education. The recommendations of the Committee could not be accepted because of its financial implications and difficulties in implementation.

In 1960, at the instance of the Government of India, Prof. K.G. Saiyidain studied national service by students implemented in several countries of the world and submitted his report under the title "National Service for the Youth" to the Government with a number of recommendations as to what could be done in India to develop a feasible scheme of social service by students. It was also recommended that social service camps should be open to students as well as non-students within the prescribed age group for better inter-relationship.

The Education Commission headed by Dr. D.S. Kothari (1964-66) recommended that students at all' stages of education should be associated with some form of social service. This was taken into account by the State Education Minister during their conference in April 1967 and they recommended that at the university stage, students could be permitted to join the National Cadet Corps (NCC) which was already in existence on a voluntary basis and an alternative to this could be offered to them in the form of a new programme called the National Service Scheme (NSS). Promising sportsmen, however, should be exempted from both and allowed to join another scheme called the National Sports Organisation (NSO), in view of the need to give priority to the development of sports and athletics. The Vice-Chancellors' Conference in September, 1969 welcomed this recommendation and suggested that a special committee of Vice Chancellors could be set up to examine this question in detail. In the statement of national policy on education of the Government of India, it was laid down that work experience and national service should be an integral part of education. In May, 1969, a

conference of the students' representatives of the universities and institutions of higher learning convened by the Ministry of Education and the University Grants Commission also unanimously declared 'that national service could be a powerful instrument for national integration. It could be used to introduce urban students to rural life. Projects of permanent value could also be undertaken as a symbol of the contribution of the student community to the progress and upliftment of the nation.

The details were soon worked out and the Planning Commission sanctioned an outlay budget of Rs. 5 crores for National Service Scheme (NSS) during the Fourth Five Year Plan. It was stipulated that the NSS programme should be started as a pilot project in selected institutions and universities.

On September 24, 1969, the then Union Education Minister Dr. V.K.R.V. Rao, launched the NSS programme in 37 universities covering all States and simultaneously requested the Chief Ministers of States for their cooperation and help. It was appropriate that the programme was started during the Gandhi Centenary Year as it was Gandhi Ji who inspired the Indian youth to participate in the movement for India.

Aim of NSS:

The programme aims to instilling the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster's victims.

Objectives of NSS:

- Understand the community in which they work
- Understand themselves in relation to their community
- Identify the needs and problems of the community and involve them in problem-solving
- Develop among themselves a sense of social and civic responsibility
- Utilize their knowledge in finding practical solutions to individual and community problems
- Develop competence required for group-living and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitudes
- Develop capacity to meet emergencies and natural disasters

- Practise national integration and social harmony

Symbol of NSS:

राष्ट्रीय सेवा योजना
National Service Scheme
 युवा कार्यक्रम और खेल मंत्रालय
Ministry of Youth Affairs and Sports
 भारत सरकार
Government of India

The symbol for the NSS has been based on the giant Rath Wheel of the world-famous Konark Sun Temple (The Black Pagoda) situated in Odisha, India. The wheel portrays the cycle of creation, preservation and release. It signifies the movement in life across time and space, the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change. The eight bars in the wheel represents 24 hours of a day. The red colour indicates that the volunteer is full of young blood that is lively, active, energetic and full of high spirit. The navy blue colour indicates the cosmos of which the NSS is tiny part, ready to contribute its share for the welfare of the mankind.

Motto:

The motto of National Service Scheme is '**NOT ME BUT YOU**'.

Enrollment in NSS:

NSS is a voluntary scheme. NSS scheme starts from 11th Standard onwards. At college level the NSS volunteers will be enrolled from the first and second year degree-class students. The students from foreign countries studying in Indian universities can also join NSS so that they may share the experiences of national reconstruction and community work. NCC cadets will not be allowed to join NSS. Similarly NSS volunteers will not participate in NCC or any other youth organisation as long as they are in NSS.

An NSS volunteer needs to devote a total of 240 hours social service in two years duration. Every year, a NSS volunteer has to devote 20 hrs. of orientation and 100 hrs. of community service.

To enroll as NSS volunteer, contact the NSS Programme Officer of your school / college. Enrollment in NSS is free.

The NSS volunteers on successful completion of the required hours of service are issued a certificate. NSS volunteers can get some weightage during admissions in higher studies and other benefits as decided by the institutions/university.

Administrative Structure in NSS: College Level-

The unit at college/+2 level is the grass-root unit in NSS. An institution will be allotted NSS units according to the strength of students. The number of units will be allotted by the Programme Coordinator in consultation with NSS Regional Directorate and State NSS Officer considering the demands of the institution. The strength of a unit will be 100 NSS volunteers normally. A Programme Officer will be incharge of a NSS unit. Only those belonging to the teaching faculty will be considered for appointment as Programme Officer. Programme Officer will be responsible for the organisation of NSS unit, implementation of NSS programme under the supervision and direction of Principal of the college or head of the institution.

NSS (Raja Peary Mohan College):

National Service Scheme (NSS) has given an opportunity to serve our society and community in which we belong. NSS Unit of Raja Peary Mohan College, Uttarpara, Hooghly, West Bengal, India has been working from the year 2004 to develop social and civic awareness and responsibilities among the under graduate college students which affiliated on 2007 under the NSS Cell of University of Calcutta.

In each academic year, two programme officers (P.O.) start student enrollment at NSS Room at ground floor in our college. Particularly, willing students participate in this enrollment programme. Each academic year, we enrolled about 100 NSS volunteers for each of the Units- I and II respectively.

NSS Unit- II of our college has completed three programmes with **Durgamoyee Society**. Therefore Durgamoyee Society is briefly discussed below-

About Durgamoyee Society:

Durgamoyee Society is an NGO. This Non-governmental Organization was established in 2000. The license number of this NGO is S/1L/1426 of 2000-01. This organization mainly completes various social development activities, such as providing educational equipment among children, providing free winter clothes and blankets to the poor during winter, organizing free health awareness programmes for the poor, mothers especially pregnant women organizes Nutrition Awareness Programme etc. Already our NSS unit-I and II of Raja Peary Mohan College have completed several social development activities in association with the Durgamoyee Society. The institution has provided financial support for all these social development programmes. As a result, this initiative of Durgamoyee Society was welcomed by NSS Unit-I and II of Raja Peary Mohan College. Hopefully in the future also this institution will complete more social development activities with NSS unit- I and Unit-I of our college.

INDEPEDENCE DAY CELEBRATION

15TH AUGUST,2022

Organized By

NSS UNIT- I & II

RAJA PEARY MOHAN COLLEGE, UTTARPARA

HOOGHLY, WEST BENGAL

About Independence Day:

Independence is essential for every nation and its pupils in order to progress and prosper. Without a government of its own, a nation is like a slave who cannot function or takes decisions for the wellness of its own people leading them to live a life of misery and sorrow under the suppressive rule of foreign invaders. Thus, Independence and self-rule are given the highest priority by every progressive nation in the world. Even the people of all cultures, classes, and religions acknowledge the significance of Independence and that it is mandatory for a happy and prosperous nation.

India, too gained independence from British Empire on 15th August 1947, It is the day when India got its freedom from 200 years of British rule. It was a hard and long struggle in which many freedom fighters and great men sacrificed their lives for our beloved motherland.

India celebrates its Independence Day on the 15th of August every year. However, this year, the auspicious day is being celebrated as '75 Azadi Ka Amrit Mahotsav 2022' to commemorate 75 long years of India's independence. Independence Day, called the Red-Letter Day in the history of our country, is celebrated as a national holiday throughout India.

Description of Independence Day celebration Programme:

Independence Day celebrated on 15th August every year in our college like all over the country. This year also celebrated. As this year marks 75 years of independence, this day is celebrated in a slightly different way. This year first of all we hosted a flag at the college campus. A rally has been taken out with students and teachers. After the completion of the rally cultural programme was organized in our college centenary hall where our college Principal Sir and other sir and madams gave their speeches and students celebrated the day with dance and songs. At the end tiffin was also arranged, with which the programme concluded.

Objectives of celebrating Independence Day:

- 1) Independence Day teaches us the difference between a republic and a dominion and that the former is a blessing.
- 2) It gives us an excuse to remember them and pay tribute to our great freedom fighters.
- 3) People of India reaffirm their commitment to preserving the freedom of the land.

- 4) Independence Day teaches us the value of the national flag and national anthem.
- 5) The day is also important in a way that it infuses unity among Indians, who acknowledge the fact that they are free only if they stay united.
- 6) It also reinstates people's faith in the democratic setup of governance.
- 7) Every men and women realize that they are also a significant part of nation-building.
- 8) Citizens of all age groups and backgrounds come out of their houses to celebrate together, thereby promoting unity and brotherhood.
- 9) Top leaders of the country address the people, thereby gaining their faith and support for nation-building.
- 10) Unity displayed by Indians serves as a warning for other powers who might dare to threaten their freedom.

Also Independence Day helps us remember every one of the penances our political dissidents made to liberate India from British rule. On 15th August 1947, India was announced free from British imperialism and turned into the biggest vote-based system, the largest democracy in the world.

OUTCOME:

Students got to know about why Independence Day is celebrated and also about the great revolutionaries who sacrificed their lives to achieve this freedom. Also, they have got an idea about how they will protect the country in the future

Notice about Independence Day Celebration:

DENGUE AWARENESS PROGRAMME
2ND SEPTEMBER, 2022

Organized By
NSS UNIT- II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL

About Dengue:

Dengue is the fastest spreading vector-borne disease in the world and many people are affected by this disease in India at present. Especially in villages and slum area of town or city due to lack of awareness many people suffer because of this disease.

Symptoms of Dengue:

Most people with dengue have mild or no symptoms and will get better in 1–2 weeks. Rarely, dengue can be severe and lead to death.

If symptoms occur, they usually begin 4–10 days after infection and last for 2–7 days.

Symptoms may include:

- high fever (40°C/104°F)
- severe headache
- pain behind the eyes
- muscle and joint pains
- nausea
- vomiting
- swollen glands
- rash.

Individuals who are infected for the second time are at greater risk of severe dengue.

Severe dengue symptoms often come after the fever has gone away:

- severe abdominal pain
- persistent vomiting
- rapid breathing
- bleeding gums or nose
- fatigue
- restlessness

- blood in vomit or stool
- being very thirsty
- pale and cold skin
- feeling weak.

People with these severe symptoms should get care right away.

After recovery, people who have had dengue may feel tired for several weeks.

Prevention and control:

The mosquitoes that spread dengue are active during the day.

Lower the risk of getting dengue by protecting yourself from mosquito bites by using:

- clothes that cover as much of your body as possible
- mosquito nets if sleeping during the day, ideally nets sprayed with insect repellent
- window screens
- mosquito repellents (containing DEET, Picaridin or IR3535)
- coils and vaporizers.

If you get dengue, it's important to:

- rest
- drink plenty of liquids
- use acetaminophen (paracetamol) for pain
- avoid non-steroidal anti-inflammatory drugs, like ibuprofen and aspirin
- watch for severe symptoms and contact your doctor as soon as possible if you notice any.

So far one vaccine (Dengvaxia) has been approved and licensed in some countries. However, only persons with evidence of past dengue infection can be protected by this vaccine. Several additional dengue vaccine candidates are under evaluation.

Description of Dengue Awareness Programme :

Keeping in mind the menace of dengue, NSS Unit- II of our college undertook a dengue awareness programme on 2nd September, 2022. Through this programme, handbills were given to the college students and surrounding areas to make people aware about dengue, bleaching powder was spread and what are the symptoms of dengue? What to do if dengue? How to prevent dengue? Etc. was meant.

Objectives of Dengue Awareness Programme:

[Handwritten Signature]
 PRINCIPAL
 RAJA PEARY MOHAN COLLEGE
 UTTARPARA, HOOGHLY

Create awareness about dengue among the college students and people, this programme was organized.

OUTCOME:

1. NSS Unit 2 of our college organizes dengue awareness camp every year and students get to know about it.
2. The students got an idea about how they will be aware about dengue and how to make the surrounding area and people aware as well.
3. Those who participated in this programme promised to be aware of dengue awareness in the future as well.

Some pictures of Dengue Awareness Programme, 2nd September 2022:

NATIONAL SERVICE SCHEM
Unit--11
Raja Pearymohan College, Uttarpara, Hooghly

Warning and danger signs and symptoms of dengue fever

- Bleeding: epistaxis, scanty haemoptysis, hematemesis, gum bleeding, black coloured stools, excessive menstrual bleeding, dark-coloured urine or haematuria.
- Lethargy and/or restlessness.
- Sudden behavioural changes.
- Convulsions.
- Difficulty in breathing or palpitation or breathlessness.
- Persistent vomiting >3 times a day.
- Severe abdominal pain.
- Postural hypotension - dizziness.
- Pale, cold clammy extremities.
- Not able to drink and no urine output for 4-6 h or urine output less than 0.5 ml/kg/h.

ডেঙ্গু সতর্কতা

পরামর্শ

- 1 পরিবেশ জঞ্জাল মুক্ত করুন
- 2 জমিয়ে রাখা জল সপ্তাহে ২ বার খালি করে দিন
- 3 খোলা পাত্রে জল জমতে দেবেন না
- 4 মশারির মধ্যে ঘুমান
- 5 যতটা সম্ভব শরীর ঢাকা পোশাক পরুন

• ডেঙ্গু একটি ভাইরাস-জনিত অসুখ বা মশার কামড়ের মাধ্যমে সংক্রমিত হয়।

• ডেঙ্গুতে সাধারণ ফু-জ্বরের মতোই উপসর্গ হয়। অল্প কিছু ক্ষেত্রে ডেঙ্গু জটিল আকার নিতে পারে।

• সংক্রমিত ব্যক্তির দেহ থেকে ডেঙ্গুর ভাইরাস মশার দেহে যায়।

স্বাস্থ্য ও পরিবার কল্যাণ দপ্তর, পশ্চিমবঙ্গ সরকার

ORIENTATION PROGRAMME

7TH SEPTEMBER, 2022

Organized By

NSS UNIT- II

RAJA PEARY MOHAN COLLEGE, UTTARPARA

HOOGHLY, WEST BENGAL

About Orientation Programme:

Orientation programme plays an important role in a students transition to a college life. Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its faculties and infrastructure. It enables them to make essential connection with studies and develop network among other peers. “Where will be my classroom? What will be my majors, What is the course structure?” Umpteen numbers of questions loom in the minds of students, when they start their college life.

In the beginning of the first year, students need to be made acquainted to their surroundings in the campus. This includes introductory sessions, giving them an overview of the college life; the rules and regulations mandated for each student in a particular college/faculty. It is an essential period at the beginning of the college session, which allows the students to get settled in their new environment.

Teacher coordinator of every stream sets a model of introductory orientation programme that includes academic as well as social activities.

Description of Orientation Programme:

Orientation programme are usually organized for new students to give them an idea about the college. In this regard NSS Unit- II of our college organized a orientation programme on 7th September, 2022 to impart knowledge about NSS to new comer students. Where various professors associated with NSS give their speech about NSS and what does NSS do in our college? How does it work? etc. students are informed about the subject and fresher students are invited to join NSS as volunteers. As a result the orientation programme organized by NSS has been very successful.

Objectives of Orientation Programme:

The three basic objectives of any university/college when organizing an orientation programme are:

- Introducing students to their college life.
- Incorporating them in the college environment.

- Giving the opportunity to the college members and faculties to get connected to the new batch.

Orientation programmes serve as a foundation for college/university success. It sets a lasting impression for new students and their families. The main purpose of a good orientation session in a college is to bridge the gap between the professors and the students, ensuring a smooth communication between the two. A good orientation programme should be designed in a manner that it can answer all the queries of the students, before they are asked.

Outcome:

1. Through the orientation programme the new incoming students get to know the various cells and committees of the college and they get to know what committees are there in the college.
2. Students can know about the two units of NSS in our college.
3. Where is the NSS room? Who is the programme officer? And also they have been able to know what you have done throughout the year.

INTERNATIONAL LITERACY DAY

8TH SEPTEMBER, 2022

Organized By

NSS UNIT- II

RAJA PEARY MOHAN COLLEGE, UTTARPARA

HOOGHLY, WEST BENGAL

About International Literacy Day:

Since 1967, International Literacy Day (ILD) celebrations have taken place annually around the world to remind the public of the importance of literacy as a matter of dignity and human rights, and to advance the literacy agenda towards a more literate and sustainable society.

According to the Director-General of UNESCO Audrey Azoulay, "Indeed, books are vital vehicles to access, transmit and promote education, science, culture and information worldwide." **The theme for World Book Day 2023 is "Indigenous Languages."** The theme is focused on the native languages of a country.

Description of International Literacy Day celebration Programme:

Like every year this year also our college NSS Unit- II celebrated International Literacy Day on 8th September, 2022. This year we celebrated this special day with the children of Basipota Primary School of Raghunathpur village. On this special day we organized a drawing competition among school children and all the materials for the drawing competition were provided by NSS. Also they were made aware of how important education is in our lives and they listened to us with interest. They were very happy to have us in their school on this special day and we are also very happy to do such a programme.

Objective of celebration International Literacy Day:

The purpose of Literacy day was not just to let children participate in these activities, but to let them understand the fun of reading, to develop the habit of reading, to calm down in this era of new media explosion, and to let their thoughts and imagination take off with the quintessence of mankind's wisdom for thousands of years -- books.

In the end we can say that It is meaningless to imagine a good life without education. He is neither able to use his democratic rights nor can he use proper facilities. Therefore, in today's time, it is very important for everyone to be educated to move forward in life and develop the country, because education is the key to success.

Outcome:

1. Students got an idea about how important education is in human life.

2. The students also got the idea that without education, change in society is not possible.
3. The students also got an idea that science-minded and prejudice-free society can be built only through education.

NSS FOUNDATION DAY

24TH SEPTEMBER, 2022

Organized By

NSS UNIT- II

RAJA PEARY MOHAN COLLEGE, UTTARPARA

HOOGHLY, WEST BENGAL

About NSS Foundation Day:

The Ministry of Youth Affairs and Sports oversees the National Service Scheme, which is a public service programme. In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a National Service Scheme could be an instrument for national integration. The Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in selected institutions and universities. On 24 September 1969, then the Union Education Minister Shri.V.K.R.V. Rao launched the NSS at 37 universities in several states of India, the birth centenary year of Mahatma Gandhi, the Father of the Nation. The scheme has been extended to all states and universities in the country, and also +2 level institutes in many states. Therefore, 24th September is celebrated every year as NSS Day with appropriate programmes and activities.

Description of NSS Foundation Day Celebration Programme:

Since the year 2004, the NSS started in our college, every year on 24th September we have been celebrating NSS Foundation Day on behalf of the college. Like every year this year also on 24th September 2022 we NSS Unit- II celebrate NSS Foundation Day. This year on NSS Foundation Day we garlanding Swami Vivekananda's photo and heard important speech about NSS by Principal Sir and other sir, madam also gave important speech and imparted ideas about social values among students, By which all students and NSS volunteers are enriched. After listening to the Principal sir and other sirs, we took out a rally and spread bleaching in the local Bolio Bagan area and promised that the students will participate in various social activities and play a role in the progress of society if they get the opportunity.

Objectives of NSS Foundation Day Celebration Programme :

To understand the community in which they work, their relations to that community, and to develop a strong sense of responsibility towards the betterment of society, NSS is a programme that aims the development of each volunteer's personality through community service.

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

NSS Day is a celebration to commemorate the tireless efforts of each volunteer towards the welfare of one and all.

“Not Me But You” defines the philosophy of NSS. The welfare of every individual is dependent on the welfare of society, hence, every volunteer must strive for the betterment of society. Its red and blue logo, the giant Rath Wheel from the famous Konark Temple in Odisha, encourages all volunteers to be passionate and active towards social change.

Outcome:

1. Students got an idea about when and who established NSS.
2. Students also got an idea about when nss started in our college.
3. Why should students join NSS and what will they benefit from joining? Got an idea about that too.

Notice about NSS Foundation Day Celebration Programme:

The notice is on a light blue background. At the top left is the college logo, a circular emblem with a book and a lamp. To the right of the logo, the college name 'Raja Peary Mohan College' is written in a large, bold font. Below the name, the address '1, Acharya Dhruva Pal Road, Uttarpara, Dist. Hooghly West Bengal, Pin. 712 258' is provided, along with telephone and fax numbers, and a website and email address. A reference line and the date '20/09/2022' are also present. The word 'NOTICE' is centered in bold. The main text states that the NSS Foundation Day will be celebrated on 24-09-2022 by NSS Unit - II, and all are cordially requested to present and participate. At the bottom, there are two signatures: one in blue ink for Sujan Barman, Programme Officer, NSS Unit-II, and one in black ink for Dr. Sudip Kumar Chakrabarty, Principal. Below each signature is the respective name and title.

COLLEGE CLEANING & SWACHH BHARAT ABHIYAN 2ND DECEMBER, 2022

Organized By

NSS UNIT- II

RAJA PEARY MOHAN COLLEGE, UTTARPARA

HOOGHLY, WEST BENGAL

About Cleanness and Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan was launched by the Prime Minister Sri Narendra Modi on 2nd October 2014. Launching the events from Raj Path, New Delhi, he also paid his respects to Mahatma Gandhi and Lal Bahadur Shastri on their birth anniversary. Prime Minister stated that among the two dreams of Gandhiji – Quit India and clean India, the first one has already been achieved, while the second one “Clean India” is yet to be achieved.

Prime Minister along with other dignitaries pledged for cleanliness from the dais and also presented the winners of tagline and logo design with cheque and honorific.

Description of College Cleaning and Swachh Bharat Abhiyan Programme:

Every year since 2nd October 2014 our college conducts Cleanness and Swachh Bharat Abhiyan programme. Like every year this year also we organized college cleaning and Swachh Bharat Abhiyan Programme on 2nd December, 2022. On the said occasion, NSS volunteers first took the initiative to clean the college campus and then the Ganga ghat next to our college. Where each and every volunteer made the event a success with the special initiative and their enthusiasm was palpable. In our view this is considered as one of the most important functions of NSS.

Objectives of Swachh Bharat Abhiyan:

The various objectives stated under the Swachh Bharat Abhiyan are listed in bulleted points below-

- Improving the quality of life in rural areas through cleanliness and personal hygiene.
- To make India free of open defecation within five years, till 2nd October 2019.
- To construct 90 million toilets in rural areas at an estimated cost of Rs 1.96 lakh crore.
- To encourage private sectors for making capital expenditure in the project or into the operational and maintenance cost.
- To convert unsanitary toilets into the toilets with flush.
- Create awareness among communities towards sanitation and cleanliness.
- To bring about behavioral changes in the people towards sanitation and hygiene.

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

- Motivating the communities for adopting a proper sanitation model for better health and life.
- To tell people how sanitation is linked to their overall health and happiness.
- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.
- To rope in proper support from eminent personalities and notable public figures to raise awareness among the people.
- To devise a proper, door to door, waste collection and disposal system, both in villages as well as urban areas.
- To make necessary changes in the local bodies in order to strengthen their functions and efficiency.
- To ensure proper availability of water in rural areas through a network of pipes.
- To construct separate toilets for boys and girls in all the schools throughout the country.
- To provide clean drinking water in all the schools and also to ensure availability of toiletries like soap etc.
- To provide proper toilets at all the anganwadis in the country.

Why India Needs Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan is a much needed initiative by India, as poor state of cleanliness in the country could be directly linked to high infant mortality and degrading health conditions.

Poor hygiene and cleanliness has been causing maximum number of infant deaths in the country. Moreover, there is a direct link between poor sanitation and diseases like diarrhea, cholera and typhoid etc.

As on 2014 almost 60% of population of India was defecating in open resulting in several life threatening diseases like cholera etc.

Importance of Swachh Bharat Abhiyan:

Swachh Bharat Mission is very important considering the condition of sanitation, cleanliness and hygiene in India.

Millions of deaths in India have been reported in previous years due to diseases resulting from poor sanitation and hygiene. Also, people were not fully aware of the need for cleanliness and its impact on their health and social life.

Every urban/rural Indian household as well as offices were generating a good quantity of waste every day. This waste was either being accumulated or was strewn on streets in the absence of proper collection and disposal mechanism.

[Handwritten signature in green ink]
 PRINCIPAL
 RAJA PEARY MOHAN COLLEGE
 UTTARPARA, HOOGHLY

It had become imperative to make people aware of the nuisance caused by open defecation and also to strengthen the local bodies for proper door to door efficient collection of waste and its disposal.

Outcome:

1. Students were able to understand that cleanliness is a key to good health.
2. Swachh Bharat Abhiyan started when? And what is its purpose? Students have got an idea about that.
3. Many students said that if there is such a programme they will definitely attend next time. Which we consider as a success.

NATIONAL YOUTH DAY PRE CELEBRATION
11TH JANUARY, 2023
Organized By
NSS UNIT- I & II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL

About National Youth Day:

National Youth Day, also known as Vivekananda Jayanti, is celebrated on 12 January, being the birthday of a Hindu monk, Swami Vivekananda. In 1984, the Government of India declared this day as National Youth Day and since 1985 the event is celebrated in India every year. The day is celebrated to recognise and pay homage to the teaching and preachings of Swami Vivekananda. He has been one of the most profound spiritual leaders in India. As a philosopher, thinker and patriot, he had an immense contribution to the Indian Freedom Struggle against the oppressive British Rule in India.

Description of National Youth Day Celebration Programme:

This year we celebrated National Youth Day or Swami Vivekananda's birthday jointly **NSS Unit-I and Unit- II** of our college, but a day earlier. Because that day is a national holiday, student participation is less and our aim is to make maximum students participate. So we did the pre-celebration on 11th January. Around 160 students were present and every one participated actively. This year we organized discussion meeting and quiz competition on the occasion of National Youth Day and Swami Vivekananda's birthday. At the beginning of the programme, Principal Sir and other Sirs gave important speech about Swami Vivekananda. After teachers speech, a quiz competition on Swami Vivekananda was organized. About 50 questions on Swami Vivekananda were asked in this competition and those who answered correctly were awarded mementos and books on Swami Vivekananda. All the students were very happy to receive these mementos and books and said that they would definitely participate in more such events. The teachers in charge of NSS are also very happy to see the enthusiasm of the students.

Theme of National Youth Day 2023:

The theme of National Youth Day 2023 is '**Viksit Yuva Viksit Bharat**'. The theme clearly emphasizes the importance of building a progressive youth population that will eventually hold the baton of success for India in the future. National Youth Day is celebrated to encourage the youth to ignite the flame of knowledge, rational thinking, and religious empathy in them.

National Youth Day Quotes:

National Youth day is celebrated to honor Swami Vivekananda and encourage the youth to work hard, take inspiration from his life and contribute to the overall development of their nation. Here we are sharing some quotes of Swami Vivekananda which imply a life lesson to the youth.

- “Talk to yourself once in a day, otherwise you may miss meeting an intelligent person in this world.”

- “You cannot believe in God until you believe in yourself.”

- “Arise! Awake! and stop not until the goal is reached.”

- “Truth can be stated in a thousand different ways, yet each one can be true.”

Objectives of Celebration National Youth Day:

In India, National Youth Day is celebrated to promote awareness of people's rights and to provide information about them. Keeping the ideals of Swami Vivekananda alive and motivating young people is the main objective of the celebration.

Swami Vivekananda's birthday is celebrated as National Youth Day. he was born on 12th January 1863 in India and is known for his contributions to social reform, philosophy, spirituality, and youth leadership. National Youth Day is celebrated to honor his achievements and ideas.

National Youth Day aims at motivating the youth to promote the country for a better future. Also, it aims at working upon the best ideologies of the great leader, Swami Vivekananda. The day is also termed as Yuva Diwas in different parts of the country through which the government wants to motivate and facilitate the younger lot of the country.

In the end we can say that Youth of today is intelligent and capable beyond their age. National Youth Day in India is an occasion that allows the youth to showcase their talent and potential in many unique ways. Young age is also a time for dreaming big and fulfilling such dreams. As parents, you can contribute in making children's vision a reality by letting them pursue their goals. By investing in a child education plan or any other investment to aid your child during higher studies, you could give him/her the wings to fly and to achieve big. Financial support is a huge contribution that parents can make to help their children to pursue their dreams and bring laurels to the nation.

Outcome:

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

1. Swami Vivekananda is the idol of the youth. For this this day is observed as Youth Day. They have got an idea about the importance of youth in the progress of the country.
2. Students get to know a lot about Swami Vivekananda, which we believe will accelerate their progress in life.
3. Also, many admitted that the momento that was arranged in this quiz competition will remain as a memory of their student life

NOTICE

This is to inform all the Teaching, Non-teaching staff and Students of Raja Peary Mohan College, that our college is going to celebrate the **National Youth Day** on 11th January 2023, Wednesday (because 12th January is Govt. Holiday) on eve of the 160th birth day of Swami Vivekananda, organized by the NSS Unit-I & II in Hall-1, at 12.30 pm. A short lecture on the Motto of Swami Vivekananda will be delivered on that occasion.

A Quiz Competition will be organized to encourage the students.

All are cordially requested to present and participate in the said programme.

**BLANKET DISTRIBUTION PROGRAMME COLLABORATION WITH
DURGAMOYEE ACADEMY &
DURGAMOYEE SOCIETY**

12TH JANUARY, 2023

Organized By

NSS UNIT- II

**RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL**

About Blanket Distribution Programme:

There is no better gift than providing warm blanket to the needy during the winter season. Lakh's of homeless experience bitterness of winter and are at great risk of suffering from severe illnesses, but at the same time, it has given us an opportunity to serve humanity by donating blankets to the needy. There cannot be a bigger satisfaction than saving someone's life.

Description of Blanket Distribution Programme:

Swami Vivekananda was a great social reformer. He is still an idol to us for various social works. On the birthday of such a great person, everyone has an urge to do something for the betterment of the society and if it is team work then his joy is doubled. So we feel that, on this special day and in the cold weather providing blanket to poor and needy families is a noble work. Because thousands of poor families suffer from lack of warm cloths and blanket in cold weather. We will feel grateful if blanket distribution can relieve some of these poor people from their suffering. From this thinking, this year we jointly organized a free blanket distribution programme for the poor and needy family on 12th January, 2023, under the initiative of NSS Unit- II of Raja Peary Mohan College and Durgamoyee Society.

This year about fifty blanket have been distributed among the poor people. Durgamoyee Society provided financial support in this regard. Such a great work would never have been possible without their cooperation. On behalf of our college and NSS Unit- II, we thank them for this great work. The smiles on their faces after receiving blankets in the too cold weather really proved the hardships they were going through. NSS volunteers and members of and Durgamoyee Society are all very happy to do such work. Hope we will participate in such activities every year and try our best to help those who suffer from cold due to lack of blankets.

Objectives of Blanket Distribution Programme:

The main objectives of our blanket distribution programme are-

- To help needy and poor people by providing the blankets in the winter season under the Social Responsibility Activity.

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

● The purpose of distributing blankets to the needy spreads the message of sympathy, love and sacrifices to the society.

Outcome:

1. The big outcome of our programme is the smile on the faces of about 50 people after blanket distribution in extreme cold.
2. The students of NSS Unit- II of our college realized through this programme how much joy it brings in serving the poor and also through various social activities.

PARAKRAM DIVAS & NETAJI'S BIRTH DAY CELEBRATION
23RD JANUARY, 2023

Organized By
NSS UNIT- I & II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGLY, WEST BENGAL

About Parakram Divas or Netaji's Birth Day:

Parakram Diwas is observed on January 23 on the occasion of the birth anniversary of Netaji Subhash Chandra Bose. On January 19, 2021, the government of India through the Ministry of Culture issued a release that the nation would celebrate the posthumous 125th birthday of Netaji Subhas Chandra Bose starting on January 23, 2021. This holiday was called Parakram Diwas (or Parakram Divas), meaning "Day of Courage" or "Day of Valor," to acknowledge Netaji's sacrifice and immense contribution to India's independence movement.

Parakram Diwas (also called Parakram Divas) is celebrated on January 23 every year. It is an Indian national holiday marking the birthday of Netaji Subhas Chandra Bose (popularly called Netaji), a prominent nationalist, politician, and freedom fighter. This day was set aside by the government of India on Netaji's 125th birthday to inspire Indians, especially the youth, to emulate his courage, doggedness, selfless service, and patriotic fervor even in the face of oppression.

Description of Parakram Divas or Netaji's Birth day Celebration Programme:

Like every year our college celebrated the birthday of Netaji Subhash Chandra Bose this year too. Netaji Subhash Chandra Bose's birthday is now also known as Parakram Divas. 21st January 2021 has been declared by the central government as the birthday of Netaji Subhash Chandra Bose as Parakram Divas. Since 2021, this day is also observed as Parakram Divas. This year NSS Unit- I and NSS Unit- I and II of our college celebrated Parakram Divas i.e. Netaji Subhash Chandra Bose's birthday together. We started this special day by hosting the National Flag. Various professors of the college spoke before the students about the contribution of Netaji Subhash Chandra Bose and some students gave their speeches about our great freedom fighter Netaji Subhash Chandra Bose, all the students and teachers were enriched. At the end, the programme ended with the distribution of sweets.

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGLY

Objectives of Parakram Divas or Netaji's Birth day Celebration :

The purpose of Parakram Diwas is to develop a sense of patriotism in the hearts of Indian citizens, most importantly the younger generation to encourage them to act with courage when faced with challenges.

Outcome:

1. Students got an idea about the sacrifice of Netaji Subhash Chandra Bose for the freedom of the country.
2. Since when Netaji Subhash Chandra Bose's birthday is celebrated as Parakram Day? Students have got an idea about that too.
3. Students are motivated by hearing the story of Netaji Subhash Chandra Bose's sacrifice and through the activities of NSS students express their desire to do something for the country and society, which is a major achievement of our programme.

REPUBLIC DAY CELEBRATION
26TH JANUARY, 2023
Organized By
NSS UNIT- I & II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL

About Republic Day:

Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj. The constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950. 26 January was chosen as the date for Republic Day as it was on that day in 1930 when the Declaration of Indian Independence was proclaimed by the Indian National Congress.

So to commemorate this day every year, Republic Day is celebrated all over India. The President of India unfurls the National Flag every year. After the National Flag is unfurled, a number of cultural events take place. All schools, colleges and other institutions around the country celebrate this with much pomp and glory.

Description of Republic Day Celebration Programme:

This year Republic Day was a little different than other years. Because Saraswati Puja , the biggest festival of baengalis especially school students, and Republic Day were held on the same day. This year Republic Day was celebrated together by NSS Unit- I & Unit- II of Raja Peary Mohan College. On the day of Republic Day, flag hosting was done first followed by garlanding of Netaji's photo. Also, Sujan Barman, Assistant Professor of political Science Programme Officer of NSS Unit- II of the college gave a valuable speech to the students about the importance of Republic Day. The event ended with the distribution of sweets, However, this year, due to Saraswati Puja being at the same time, the celebration of Republic Day is going on for almost the whole day.

Objectives of Republic Day Celebration:

The constitution of India is a huge document which lays down procedures, powers, duties, fundamental rights and directive principles of Government of India & Indian citizens. The governing principle of the Indian Constitution is “**of the people, for the people and by the people**”, which signifies that the power is vested in the hands of the citizens of India.

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

Republic Day marks the celebration of the empowerment of Indian citizens to select their own government. It is a national holiday which commemorates the process of establishment of the Indian Constitution.

Outcome:

1. India gained independence on August 15, 1947. But many people do not know when India emerged as a democratic country. Students got an idea about this subject through the Republic Day celebration.
2. Students got an idea about the significance of Republic Day.
3. Why is Republic Day celebration important for democracy? Students have realized that concept through this programme.

**NSS SPECIAL CAMPING PROGRAMME
FROM 21ST MARCH TO 27TH MARCH, 2023**

Organized By
**NSS UNIT-II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL**

ABOUT NSS SPECIAL CAMPING PROGRAMME:

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community.

Special campings are organised generally on various developmental issues of national importance. In the past the themes of the Special Camping Programmes have been 'Youth Against Famine', 'Youth Against Dirt and Disease', 'Youth for Rural Reconstruction', 'Youth for Eco-Development' and 'Youth for Mass Literacy', 'Youth for National Integration & Social Harmony'. 'Youth for Sustainable Development with special focus on Watershed Management and Wasteland Development. Every year 50 percent of the volunteers of each NSS unit are expected to participate in special camps which is of seven days duration.

Description of Special Camping Programme:

This year the special camping programme of NSS Unit-II of our college started on 21st March and ended on 27th March at **Bolio Bagan Slum Area**. Each day of this seven day programme consists of different activities.

Objectives of the Special Camping programme:

The primary objectives of the special camping programmes are:-

(i) Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the community situation.

(ii) To provide opportunities to NSS Volunteers to play their due roles in the implementation of various development "programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities.

(iii) Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community:

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

(iv) Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.

(v) Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual pursuits.

(vi) Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

Attached bellow a **NOTICE** and a **PROGRAMME CHART** of what activities were completed.

Description of activities of the Seven-Day Special Camping Programme:

DAY-1: On the first day we i.e. on behalf of NSS Unit-II did the work of cleaning the Bolio Bagan Area. Later we spread bleaching powder and called the local people and distributed masks among them. Along with this we have informed them that we will come every day till 27th March and perform various functions.

Outcome:

1. Students got idea about how to start NSS Special Camp.
2. Students get an idea about which type of area to choose for NSS Special Camp.
3. On the first day they got the experience of talking to the local people

DAY-2: On the second day of the special camp, we went door to door to sensitize the residents about dengue, conducted tree planting programme and distributed chocolates among the children of Bolio Bagan Area and also informed them about the next day's programme.

Outcome:

1. The students learned about the severity of dengue disease and took initiative to sensitize the residents of the local Bolio Bagan area, which was a great experience for them.
2. Why plant trees? And they got to know about the importance of trees.
3. It was also the first time for many students to talk to local children and distribute something to them, which was a source of joy and interest for them.

Attendance sheets of Second Day volunteers who are present and participating on the special camping programme.

DAY-3: On the third day of the special camp we arranged free health checkup for local people where almost everyone from children to the elderly were present. They are also advised about health awareness which is done by volunteers of NSS Unit-II with the help of members of health unit of our college.

Outcome:

1. Students learned about the importance of health awareness programmes in slum areas.
2. Efforts were made to convince the citizens of the slum areas that they are not at all health conscious and they also agreed to follow the hygienic regulations.
3. About 34 residents took advantage of free blood pressure and weight checkup and gained knowledge about health awareness from teachers of Physiology Department of our college.

Attendance sheets of Third Day volunteers who are present and participating on the special camping programme.

DAY-4: On the fourth day of the special camp we NSS Unit- II of Raja Peary Mohan College organized a beautiful drawing competition among the children of Bolio Bagan area. All the equipment for this competition has been provided by NSS Unit-II, like- a wood pencil, an eraser, a sharpener, a scale, a big drawing sheet, a folder etc. The children were very happy and around 30 children participated in this completion.

Outcome:

1. Children are more interested in drawing competitions.
2. Along with the children, the NSS volunteers also got to gain a lot of experience.
3. Children were very happy to get various materials and prizes in the drawing competition.

Attendance sheets of Fourth Day volunteers who are present and participating on the special camping programme.

DAY -5: On the fifth day of the special camp we organized a food and nutrition programme in collaboration with the eco club of our college. Where our college Senior Associate Professor Dr. Maitri Bose (Biswas) gave a nice discussion on food and nutrition among the students and locals. Dr. Bose also gave important ideas about food and nutrition which will be very useful for everyone in their daily life.

Outcome:

1. Volunteers and local people have gained knowledge about nutrition.
2. Students and local people also got an idea about the importance of hygienic food.
3. Students and local people also got ideas on how to wash hands, how to be more clean.

Attendance sheets of Fifth Day volunteers who are present and participating on the special camping programme.

DAY-6: On the sixth day of the special camp, the volunteers of NSS Unit- II explained about food and nutrition to the children and also distributed hygienic food (bananas, boiled eggs, small Horlicks packets) among the children in Bolio Bagan area. The children are very happy to receive them and so are the volunteers.

Outcome:

1. The knowledge gained by the volunteers on the last day about nutrition was shared by them and the knowledge gained by the volunteers about nutrition and being able to convince others is one of the most successful steps of our camp.
2. Also children are very happy to get hygienic food. Hygienic food distribution was done to around 35 children on this day, which is a great achievement and joy for us.

Attendance sheets of Sixth Day volunteers who are present and participating on the special Camping programme.

DAY-7 or Final day: On the seventh day or final day of the special camp , the volunteers of NSS Unit- II distributed apples among the children of Bolio Bagan area and the children who participated in the drawing completion held on the fourth day of the camp, the first, second and third positions were awarded one memento prize each. Also, volunteers shared their experiences of the seven-day special camp. The coordinator of IQAC of our college, Dr. Sanyukta Bhattacharya, was present on the occasion and handed over certificates and mementos to the NSS volunteers. At the end she said to all the NSS volunteers that you participate more and more in social work, it will benefit both the society and the country. We are all grateful to him for her brilliant presence.

Outcome:

1. On the third day of the programme we organized free blood pressure check and weight checkup and health awareness discussion which was well received by the local people. All these local people said that next year we should organize some free health checkup activity, then it will be very beneficial for them. This advice from the local people further increased our interest in social work.
2. The children who participated in the fourth day of the special camp and those who stood first, second and third on the final day were given momento and an apple to everyone, which they were very happy with and asked us to organize this kind of competition next year too and bring them here. This feedback from the children has helped define the success of our programme.
3. We also gave momentous and certificates to the volunteers for the good work, which increased the interest of the students about the NSS Special Camp.
4. Volunteers were asked to speak about the NSS special camp which lasted for 7 days, the way volunteers shared their experience of the entire 7 days shows that our camp was a success all around.
5. Also, from the experience of the special camp which lasted for seven days, we understood that if various delicious food, gifts and people are treated well, then the local people also have a lot of interest in this kind of camp and they cooperate with us in various ways.

Attendance sheets of Seventh Day volunteers who are present and participating on the special camping programme.

DUARE SARKAR CAMP VISIT

4TH APRIL, 2023

Organized By

NSS UNIT-II

**RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL**

About Duare Sarkar Scheme:

Duara Sarkar Scheme started on 1st December, 2020 by the Hon'ble Chief Minister of West Bengal, Duare Sarkar is an initiative of the Government of West Bengal, for delivery of services and welfare schemes at the doorsteps of the people through outreach camps. These camps are organized at the level of gram panchayat and municipal ward level. These camps act as service providers of specific services and nodes for issuance and collection of applications for welfare schemes.

Paray Samadhan – a community component of the Duare Sarkar campaign - conceptualized to respond to the numerous petitions and applications received from citizens seeking solutions to small local problems due to gaps in infrastructure, supply and services and manpower in public institutions. Through Paray Samadhan, the Government seeks to address neighborhood needs through small interventions and community participation, aiming to solve community level issues locally.

Description of Duare Sarkar Camp visit Programme:

A notice dated 1st April, 2023, from the Higher Education Department of the Government of West Bengal informed that the educational institutions of West Bengal should visit the **Duare Sarkar Camp** with their students. Because students can see and learn a lot from this kind of camp. According to that notification, honorable principal sir also issued a notice in our college and where it is said that without classes hampering all the students who want to go to Duare Sarkar camp visit can go. As per the notice given by Sir we went to visit Duare Sarkar Camp at Uttarpara Jai Krishna Library on behalf of NSS Unit- II on 4th April 2023. Where 18 students participated and they saw with their own eyes how Duar Sarkar Camp works and what is done in that camp. Which tells me that every student has accumulated a lot of experience. Therefore, Duare Sarkar visit can be identified as a unique experience gathering activity of NSS Unit- II.

Objective of Duare Sarkar Camp Visit:

As we all know there are many people in the state who face many problems in their daily routine. To cope up with these problems the government of West Bengal has

established camps at every block of the state under the Duare Dhare Paschim Banga Sarkar Scheme. Under this scheme solution to the problem of the people will be given to the people of the state immediately ordered by the CM Mamta Banerjee of West Bengal. To give the solution of the problem the administration has set up camps from the block level.

Therefore, to gain knowledge on how to quickly resolve various document related problem we visited Duare Sarkar Camp.

Outcome:

1. The students got an idea about when government started Duare Sarkar Scheme and which government started it.
2. Students also got an idea about what the Duare Sarkar does and how it works.
3. Through the Duare Sarkar camp visit experience has been gained on how administrative work can be completed quickly.

Notice given by Higher Education Department:

**Government of West Bengal
Education Directorate
Bikash Bhavan, Salt Lake
Kolkata - 700091**

Date: 01.04.2023

**To
The Principal/Vice Principal/Officer-in-Charge/Teacher-in-Charge,
Government/Government-aided & Private General Degree/ Law/ Training Colleges**

Madam/ Sir,
I am directed to inform you that the DUARE SARKAR campaign has been started from 01st April 2023 and will extend till 20th April 2023. It has been advised to visit the camps during such campaign. It is a great opportunity for the college students as it will give them an opportunity to familiarize themselves with many Social Welfare Schemes undertaken by the Government. You may consider advising the students of your Institution for such visits during the campaign.
Needless to mention that such visits may be considered without hampering academic activities adversely.

Sincerely yours,
Sd/-
Prof. Jayasri Ray Chaudhuri
Director of Public Instruction
West Bengal

WORLD ENVIRONMENT DAY CELEBRATION

5TH JUNE, 2023

Organized By

NSS UNIT-I and II

**RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL**

About World Environment Day:

World Environment Day was established in 1972 by the United Nations at the Stockholm Conference on the Human Environment (5–16 June 1972), that had resulted from discussions on the integration of human interactions and the environment. One year later, in 1973 the first WED was held with the theme "Only One Earth".

It has been a platform for raising awareness on environmental issues as marine pollution, overpopulation, global warming, sustainable development and wildlife crime.[3] World Environment Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, non government organizations, communities, governments and celebrities to advocate environmental causes.

World Environment Day (WED) is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment.

Description of World Environment Day Celebration Programme:

NSS Unit- I and II of our college celebrated World Environment Day on 5th June this year together. First we discussed the relevance of World Environment Day among the students. Later, a tree plantation programme was held with the students at the local Bolio Bagan area. We planted about 15 trees there. Among them were neem tree, sabeda tree, guava tree etc. We have planted such trees because on the one hand these trees keep the environment fresh and on the other hand the fruits are obtained from the trees and their leaves are also used as medicine for various purposes in human life. The interest of the students on the occasion of this Environment Day was palpable. We are very happy to do such a program on this special day.

Objectives of World Environment Day Celebration:

The Earth is the only home to mankind. Environment Day aims to emphasize this simple statement with the aim of encouraging more and more people to work towards environmental conservation. Here is why World Environment Day is a significant event.

- It raises awareness about the many ways in which our environment is getting degraded.
- This day encourages people and leaders to think of appropriate solutions for environmental preservation.
- World Environment Day is the perfect opportunity to reflect on your actions and decide to live life more sustainably.

Outcome:

1. Students learned about when and where International Environment Day was first celebrated.
2. Students were able to understand that trees must be planted to keep the environment healthy.
3. Students got to experience the social work that can be done by planting trees.
4. The students have got an idea of how important the International Environment Day is today.

BEACH CLEANING PROGRAMME
26TH JUNE, 2023
Organized By
NSS UNIT-II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGLY, WEST BENGAL

About beach cleaning:

Since 1986, ocean-lovers around the world have been lending their time to clean up beaches on International Coastal Clean-Up Day on the third Saturday of September. We all know how important is it to do our bit as active citizens in maintaining our natural environments. The scourge of plastic is only increasing, so the need for beach clean-ups is very important.

Conservationists primarily aim to uplift the value of the ocean by hosting environmental awareness programs that propel and advance sustainability in our marine communities. It is always a good feeling for me to give back to the environment that offers us life.

Beaches are an essential part of human lives. The point of beach clean-up is more than creating a beautiful sand shoreline for residents and visitors. Although a hygienic and clean beach is of paramount importance, removing litter from the shoreline is of benefit to the ocean ecosystem. A great deal of marine life depends on the beach ecosystem, but the naked eye cannot see most of them as they are small in size or buried in the sand. These organisms play an important role in the ocean, they provide nutrients to the sea, and their presence makes the ecosystem healthier.

Thousands of marine animals worldwide have been affected by plastic pollution, including sea turtles, seabirds, and marine mammals. Therefore, Beach clean-ups are vital to mitigate the problem caused by ocean debris and the danger that plastic pollution poses to marine life.

Description of Beach Cleaning Programme:

At present sea water is polluted in various ways. Various environmental organizations, NGOs are carrying out various thoughts, efforts and programmes on how to reduce the level of this pollution. Student societies have some role to play in preserving the environment. It is from this idea that the beach cleaning programme was organized on **26th June, 2023 on behalf of NSS Unit-II of our college**. We organized this programme at Mandarmani Beach. As the sea beach is far away from our college, it is not possible to

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGLY

organize such a programme with all the students of the college, but we have tried our best to make this programme a success. 13 students and 6 teachers from our college participated in this programme. In this programme we have cleaned plastic, cigarette residue, can shells, plastic cups, plastic water bottles, lyses and other plastic packets and other garbage from the beach. In our view this programme is an important programme which we have been able to do successfully.

Objectives of Beach Cleaning Programme:

Beach cleaning programme have various objectives, viz-

1). It plays A Huge Role In Saving Marine Eco-System:

Marine flora and fauna are vulnerable to marine debris. Over 77 species have been identified as susceptible to and highly impacted marine pollution in Australia. In almost all cases, the interaction of marine pollution with marine animals and plants does not end well for the animal or plant.

We've all seen photos and videos of marine animals entangled by plastics on their necks, feet, beaks, flippers, wings, etc. It's tragic and its heartbreaking. However, the good news is, it can be prevented. Beach clean-ups help protect the marine ecosystem by removing the trash that poses a danger to aquatic animals and plants.

2). Reduces The Number Of Toxic Chemicals That End Up In Water:

Human rubbish can be toxic to the beach and marine environments. Take cigarette butts as an example. While the butts are small, they are poisonous and contaminate a lot of water when they end up in the ocean. They filter and collect carcinogenic substances from tobacco burning. When cigarette butts find their way into ocean water, they leach harmful chemicals toxic to fish. Beach clean-ups that involve getting rid of such debris helps negate water pollution and toxic substances affecting the fish.

3). Create A Safe Beach Environment:

Rubbish is not only an eye-sore, but it can also pose a danger to beachgoers. Metal, glass, and plastics with sharp edges are a public hazard. When hidden in the sand, they can cause serious injury when beachgoers step on these items. Beach clean-up help negate such hazards and create a safer and more enjoyable public space for anyone visiting and enjoying the beach.

4). Helps Support The Local Economy:

There is an economic cost to polluting our beaches. Local communities depend on beach tourism and the exposure of marine flora and fauna for food and tourism (for instance,

scuba diving). When the beach and ocean nearby are polluted, tourism, beach activities, and fishing are affected. In light of this, beach clean-ups help keep our beaches pristinely clean and attractive. A clean beach will go a long way to attract tourists to the locality and keep the marine ecosystem clean and healthy, thereby supporting tourism and fishing.

5). Beach Cleaning Helps Researchers Understand Beach Pollution:

There is a long-term benefit to participating in beach clean-ups. The trash collected helps researchers understand beach pollution from all angles. Every piece of debris collected can be grouped in a specific identifying group, such as packaging materials, fishing materials, consumer materials, remnants, glass, wood, and much more. For instance, from the rubbish collected, researchers can understand the most common types of rubbish, which will help lobby groups, government departments, and the community at large take steps to mitigate the release of that specific kind of rubbish in the future.

6). Helps Reduce the Bioaccumulation of Micro-plastics And General Plastic on Beaches:

Research conducted partly through beach clean-ups has shown that bioaccumulation of microplastics is a massive issue of concern for marine flora and fauna and human health. For instance, the AMDI Database maintained by the Tangaroa Blue Foundation organised beach clean-up establish that about 84% of all pollution along Australia's beaches is plastic debris. Additionally, 42% of plastic pollution is microplastic pollution. Additionally, approximately 1 in 3 fish caught in the ocean for human consumption is contaminated with micro-plastics; there is a considerable risk of bioaccumulation in humans, which will affect our health in the long term. Cleaning our beach helps reduce this risk significantly.

7). Beach Clean-Ups Create Awareness:

Aside from the direct benefits mentioned above, creating awareness of beach pollution is also beneficial. Public awareness can help sensitize people on the effects of pollution, thereby helping to reduce the rate and extent of pollution on the beach in the long term.

Outcome:

1. Students were able to gain an understanding of what causes sea water to become polluted.
2. The students also got an idea about how to reduce the level of sea water pollution.

3. Through this programme, the students were able to gain the idea that how important it is to reduce sea water pollution in the present day and that the youth can take this responsibility to make people aware about it.
4. Also, this beach cleaning programme is a great example of how social work can be done while traveling.

TREE PLANTATION PROGRAMME
27TH JUNE, 2023
Organized By
NSS UNIT-II
RAJA PEARY MOHAN COLLEGE, UTTARPARA
HOOGHLY, WEST BENGAL

About Tree Plantation Programme:

Tree plantation means planting trees and plants. The purpose of tree plantation is to save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. The lives of men and other animals and insects are inconceivable without the existence of trees in the world.

Trees absorb carbon dioxide and give us oxygen without which no living being can live. Trees give us shade, medicine, food, fruits, furniture, fuel etc. Trees also keep the weather cool and cause rainfall. They also bind soil and thus prevent erosion.

Trees are part and parcel of our life. So, it is our duty to plant more trees and take care of them in order to maintain balance between man and nature. To make the country economically developed and to save the globe from green house effect, we should plant trees on a large scale.

Description of Tree Plantation Programme:

We organized Tree Plantation Programme on behalf of **NSS Unit- II on 27th June, 2023** at Antyodoy Anath Ashram's Guest House Land and Roadside of Antyodoy Anath Ashram. Here we basically had a programme to plant neem trees. Because neem tree provides shade on one hand and neem leaves are used as various medicinals. We have been able to do this programme with great success.

Objectives of Tree Plantation Programme:

The main purpose of tree plantation is to save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. The lives of men and other animals and insects are inconceivable without the existence of trees in the world. We need tree plantation for the following reasons:

- Trees give us fresh air to breathe by taking in carbon dioxide and releasing oxygen.
- They provide a home and food for many animals, insects, and birds.
- Trees help to keep the climate cool and prevent global warming.

- They help to prevent soil erosion by holding the soil together with their roots.
- Trees give us fruits, nuts, and seeds to eat, which are healthy and tasty.
- We use wood from trees to make things like furniture, paper, and pencils.
- Trees provide shade on hot, sunny days, making it more comfortable to play outside.

- They help to clean the air by absorbing harmful pollutants and dust.
- Planting trees can create beautiful landscapes and make our surroundings more attractive.

- Trees can help us feel more relaxed and connected to nature, improving our mood and well-being.

Outcome:

1. Students were able to understand that trees must be planted to keep the environment healthy.
2. Students got to experience the social work that can be done by planting trees.

**ENVIRONMENTAL AWARENESS AND QUIZ COMPETITION
PROGRAMME WITH THE CHILDREN OF ANTYODOY ANATH
ASHRAM**

28TH JUNE, 2023

Organized By

**NSS UNIT-II, RAJA PEARY MOHAN COLLEGE AND IN COLLABORATION
WITH PASCHIM BANGA VIGYAN MANCHA**

About Environmental Awareness Programme:

Environmental awareness is having an understanding of the environment, the impacts of human behaviors on it, and the importance of its protection.

What is Environmental Awareness?

To define environmental awareness, we must first understand the environmental movement.

Environmentalism is an ideology that evokes the necessity and responsibility of humans to respect, protect, and preserve the natural world from its anthropogenic (caused by humans) afflictions.

Environmental awareness is an integral part of the movement's success. By spreading awareness to others that the physical environment is fragile and indispensable, we can begin fixing the issues that threaten it.

Before you can begin promoting environmental awareness in your community, you must first make sure that you have a thorough understanding of environmental issues. Stay up to date on environmental news, read books and other materials, and learn about the issues affecting your own community. It's much easier to talk to others about the environment if you've already taken the time to educate yourself.

Description of Environment awareness and Quiz Competition Programme:

On 28th June , 2023, we organized an Environmental Awareness Programme and a Quiz Competition with the children of Antyodoy Anath Ashram in collaboration with **West Bengal Vigyan Manch** on behalf of **NSS Unit- II of Raja Peary Mohan College**. Where environment awareness was discussed with the children by our college Associate Professor Dr. Maitri Bose Ma'am and she was helped by the volunteers Who were present from our college NSS Unit- II. At the end of the environmental awareness programme, a quiz competition was organized by NSS Unit-II among the children. The quiz was also about environmental awareness. Participating children were all able to give correct answers and were awarded plastic folders and pens accordingly. Children are very happy to receive such

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

gifts and participate in the programme. We are also very happy with the children as we have successfully completed both programmes.

Objectives of Environmental Awareness Programme:

- To encourage the students and other social groups to acquire knowledge of pollution and environmental degradation.
- To aware the students and other social groups to acquire sensitivity to the environment and its problems and help them to acquire a set of values for environmental protection.
- To provide students and other social groups with an opportunity to be actively involved in environmental protection.
- To make the surroundings cleaner and greener for the current as well as future generations.
- To aware the surrounding people of the rapidly depleting natural resources and make them contribute to the conservation of the same.

Objectives of Quiz Competition Programme:

Every school quizzing competition aims to inspire pupils to delve beyond their textual knowledge and make a connection between theory and application of the principles they have learned. Nevertheless, it is simpler said than done. However, most schools and universities have taken it a step further and had quiz contests. They discovered the different advantages of quiz competitions during this process, so let's do the same. Additionally, tests can be administered for various age groups and cultures.

- Quizzes help one gain a broad or specialized understanding of a subject.
- Quizzes are intended to encourage fun learning methods while also enhancing general knowledge.
- Students can "think outside the box" or from diverse perspectives by participating in quiz tournaments.
- It encourages constructive dialogue among participants so they can benefit from one another.
- In schools and universities, quiz tournaments support language development and specific subject areas.

- Some educational institutions utilize it as a quick assessment or tool to gauge students' progress in their knowledge, skills, and talents, generally or only about certain subjects, like science, math, etc.

Why You Need To Take A Quiz Today:

Quizzes are a great way to have fun, but they can also be used as a tool for self-improvement. They can help you learn more about yourself and how others view you.

In a quiz, which is also known as a mind sport, participants compete to answer questions either individually or in teams correctly.

Beyond the obvious academic advantages of exposing a child to new ideas and abilities at a young age, quizzes fundamentally alter how education is provided.

importance of participating in quizzes:

Today's online quizzes are interactive avenues where students may learn, look for possibilities to succeed beyond the classroom, and secure their futures rather than compete for cash prizes or overnight fame and not just that. Students develop the habit of creative learning early on since questions are not focused on the curriculum and demand critical thought and in-depth study.

Quizzes require students to work in groups, allowing them to develop their teamwork abilities. It is bridging the gap between academia and industry. Recruiters have discovered during interviews that students are strong in theoretical knowledge but lack industrial understanding due to the traditional curriculum structure. Consequently, our students' market readiness is still a sizable gap.

Quizzing will continue to evolve as we work to improve student learning. Despite the availability of technologies, the content must come first. Examining involves more than simply general knowledge; it also involves making connections, interpreting hidden meanings, and drawing conclusions. It must emphasize rational thinking.

Of course, the purpose of learning quizzes is to monitor, document, and assess student learning results. A course's final quiz serves as the course's graded assessment. A quiz at the end of each course seeks to review essential topics before learning new material.

In other words, mini-quizzes online or worksheets are employed to ensure that students successfully absorb the material before going on to the next subject.

Outcome:

1. The NSS volunteers and the children of the Antyodoy Anath Ashram have come to know how much the Environment Awareness Programme is needed today.

2. Not only should we know about environment awareness, but we should take responsibility to keep this environment alive. This concept was also conveyed to the children and NSS volunteers through today's programme.
3. Quiz competition is identified as an important step in increasing the interest of children. That was arranged through today's programme. Where each child answered different questions and won prizes, which is a special experience for us and the children of the Ashram.
4. The NSS volunteers and every child who participated realized that environmental awareness can be created by organizing quizzes.

NUTRITION AWARENESS PROGRAMME

28TH JUNE, 2023

Organized By

**NSS UNIT-I and II, RAJA PEARY MOHAN COLLEGE AND IN
COLLABORATION WITH DURGAMOYEE SOCIETY**

About Nutrition Awareness Programme:

In recent years, the scope of public health practice has continued to expand given the call to action to promote sustainable health and nutrition. Adequate and proper nutrition is an important aspect of a healthy lifestyle. Therefore, it is essential to promote an awareness of the nutrients contained in foods in relation to their roles in body maintenance, growth, reproduction, health, and disease prevention in humans. Appropriate nutrition is important for a variety of reasons, including optimal cardiovascular function, muscle strength, respiratory ventilation, protection from infection, wound healing, and psychological well-being. Additionally, it helps to prevent nutrition-related diseases through a diet containing the right amount of food constituents, such as carbohydrates, proteins, fats, vitamins, minerals, and water, required for body building and defense, energy supply, and regulatory functions.

Nutritional counseling and education involve people gaining knowledge about nutrition and being encouraged to bring about required changes in their food habits. The goal of nutritional counseling and education is to motivate individuals to eat healthy and sustainable diets. The aim is to teach individuals about the importance of adequate and proper nutrition, provide psycho-educational materials that reinforce messages about healthy eating skills, promote teaching skills essential for making dietary change, and provide information on how to sustain eating behavior change. Nutritional counseling and education focus on practical aspects of nutritional knowledge, and play an important role in raising public awareness and ultimately in the health of society. The main goal involves developing a nutrition plan for obtaining the appropriate and necessary nutrition to remain healthy, be physically prepared, and lead a healthy life. Thus, to promote healthy living among individuals, it might be necessary for nutritional counselors to promote good eating habits by increasing people's awareness of the nutritive value of foods and proper dietary practices.

Description of Nutrition Awareness Programme:

The volunteers of NSS Unit- I and II, Raja Peary Mohan College & members of Durgamoyee Society along with Dr. Maitri Bose, Dr. Alok Bhunia, Sri Sujan Barman, Sri Animesh Mondal and others provided Nutrition awareness programme to pregnant and

PRINCIPAL
RAJA PEARY MOHAN COLLEGE
UTTARPARA, HOOGHLY

lactating women from the neighboring areas of the Guest House of Antyoday Anath Ashram, mandarmani on 29th June, 2023. The camp mainly focused on providing awareness on special nutritional care during pregnancy, the need of lactation , importance of breast milk, need of weaning for the infants , about the nutritional care and requirement during infancy were the important topics covered .Talks were provided by the both teachers and students based on these topics. They conducted a skit on the relevant topic “Anaemia ” the skit was very informative and helped them to understand about the importance of proper nutrition to prevent anaemia . Informative charts on nutrition, important nutrients during the growing period as well as importance of balanced diet and importance of breast milk and necessary vaccinations during these period were put up and explained to the participants. Health assessment based on anthropometry; ie., height, weight and BMI, was done for the participants along with it simple low cost nutritious recipes were distributed among them as part of the programme. The interest and enthusiasm of the women in the programme was palpable. We have successfully completed this programme like other programmes.

Objectives of Nutrition Awareness Programme:

- To have an understanding as to how to meet our service users nutritional needs.
- To have an awareness of food hygiene regulations and to be able to put them into practice.
- Understand the importance of a well balanced diet, including the importance of fluids.
- Understand the legislations relating to food hygiene and nutritional requirements for service users.
- Understand the basics of food hygiene and the consequences if they are not adhered to.

The Nutrition Awareness Programme also has several other objectives, namely-

1. To bring awareness among the people.
2. Selection of naturally occurring nutritious food.
3. To educate people about the cooking and use of nutritious food.
4. To inform about the necessity of green and yellow leafy vegetables.
5. Nutritional requirements of growing children, pregnant women, lactating mother and geriatric people.

Outcome:

1. About 35 women participated in the Nutrition Awareness Programme which is of special significance to us. Because all those women left all their work to join our programme.

2. The women recognized that the knowledge they were given about nutrition would be useful in their daily lives.
3. The local women also said that they would come again and bring more women if there is a similar programme in the future, which marks the success of our programme.
4. Through this programme our NSS volunteers have also gained various experiences, which they said will come to their lives and to other family members as well.

HEALTH AWARENESS PROGRAMME & FREE HEALTH CHECK UP CAMP

1ST JULY, 2023

Organized By

**DURGAMOYEE SOCIETY AND IN COLLABORATION WITH NSS
UNIT-I and II, RAJA PEARY MOHAN COLLEGE**

About Health Awareness Programme:

Good health is essential for every human being. Health information is essential for maintaining good health, preventing diseases as well as making sound health decisions. People can only be able to access, utilize, and benefit from healthcare services if they have proper information about these services. It is here that health information literacy comes into play. The information related to every aspect of health is easily available today, but the main problem here lies in finding, selecting, and using relevant health information and preventing misinformation. Libraries have a pivotal role to play here. This chapter is mainly concerned with identifying the gaps in the provision of health information to the general public and the role of health information literacy in paving the way of filling up these gaps.

What is Health Awareness:

General understanding and knowledge about health, healthcare and its services, health needs, diseases, and preventive measures.

Why Are Health Awareness Campaigns Effective?

Health awareness marketing educates individuals and communities about risks and symptoms that may lead to serious health conditions. Moreover, health marketing not only prompts people to take their symptoms seriously, but also directs them to relevant health professionals and resources that can address their health concerns. Health awareness campaigns enable patients to better understand their health conditions and the options and treatments they can access. A health awareness campaign differs from health product marketing because rather than influencing people to buy a product, healthcare marketing seeks to influence people to buy into prioritizing their health and wellness.

WHY Health Awareness is Required:

The only way to provide palliative care to a huge number of people in need in India is through community participation, which can be achieved by improving the awareness of the people about palliative care.

We conducted a study to assess the impact of health awareness campaign in improving the awareness of people about palliative care.

By focusing on prevention, health promotion reduces the costs (both financial and human) that individuals, employers, families, insurance companies, medical facilities, communities, the state and the nation would spend on medical treatment.

Health education is important because it allows people the opportunity to know how to take care of themselves. It also helps people to help others by informing them of ways to better.

Description of Health Awareness Programme and Free Health Check-up Camp:

Members of **Durgamoyee Society** and the volunteers of **NSS Unit- I and II, Raja Peary Mohan College** along with Dakshineswar Ramkrishna Sangha Addyapeath Charitable Dispensary provided Health Awareness Programme and Free Health Check Up Camp to the neighboring area's people of Addyapeath Nat Mandir and the students of neighboring school of Addyapeath Nat Mandir on 1st July, 2023. This day is also celebrated as Doctor's Day in our West Bengal, so we wish to organize such programmes in collaboration with Durgamoyee Academy, Durgamoyee Society and Dakshineswar Ramkrishna Sangha Addyapeath Charitable Dispensary.

At the end of the programme each student was provided with a gift packet (containing a brush, a soap, handwash etc.) and a tiffin packet. Durgamoyee Society has provided financial support in this regard and Dakshineswar Ramkrishna Sangha Addyapeath Charitable Dispensary has extended its hand of support. Finally, it can be said that with everyone's cooperation, our health awareness program and free health checkup camp have achieved success everywhere and have brought smiles to the faces of the children of the adjacent schools and local people.

Objectives of Health Awareness Programme:

National Health Education Information and Communication Centre (NHEICC) has outlined several specific objectives for Health Awareness Camps, namely-

- To mobilize and use modern and traditional communication multimedia and methods to raise health awareness, knowledge and promote healthy behaviour among the general public.
- To strengthen, expand and implement health communication programmes at all levels.
- To generate, collect and mobilize resources to implement health information, education and communication (IEC) programmes.

● To prevent the unauthorized dissemination and duplication of health-related messages or information and IEC materials on different issues.

● To enhance capacity on health communication to develop, produce and disseminate quality, correct, authorized, uniform and appropriate messages and information.

● To provide quality health messages and information through appropriate media and methods to the citizens who otherwise have little access to such messages and information.

Outcome:

About **150** people underwent health checkup and discussed oral health awareness and mental health awareness among more than **300** people and students in the programme. Free ECG, Free Eye Checkup (By Group of Shankar Jyoti Eye Institute) Free General Physician, Free Sugar Test, Free Dental Checkup, Free Blood Pressure Checkup etc. were organized in this camp. It may be noted that 67 persons have undergone free eye checkup in this camp and 86 persons have undergone checkup in dental and other departments.
