

REPORT OF WOMEN CELL

SESSION 2020-2021

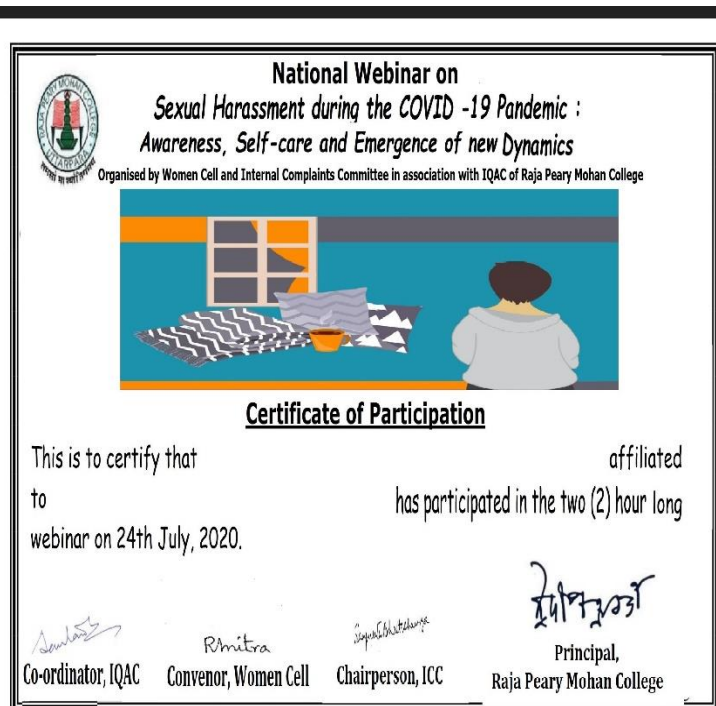

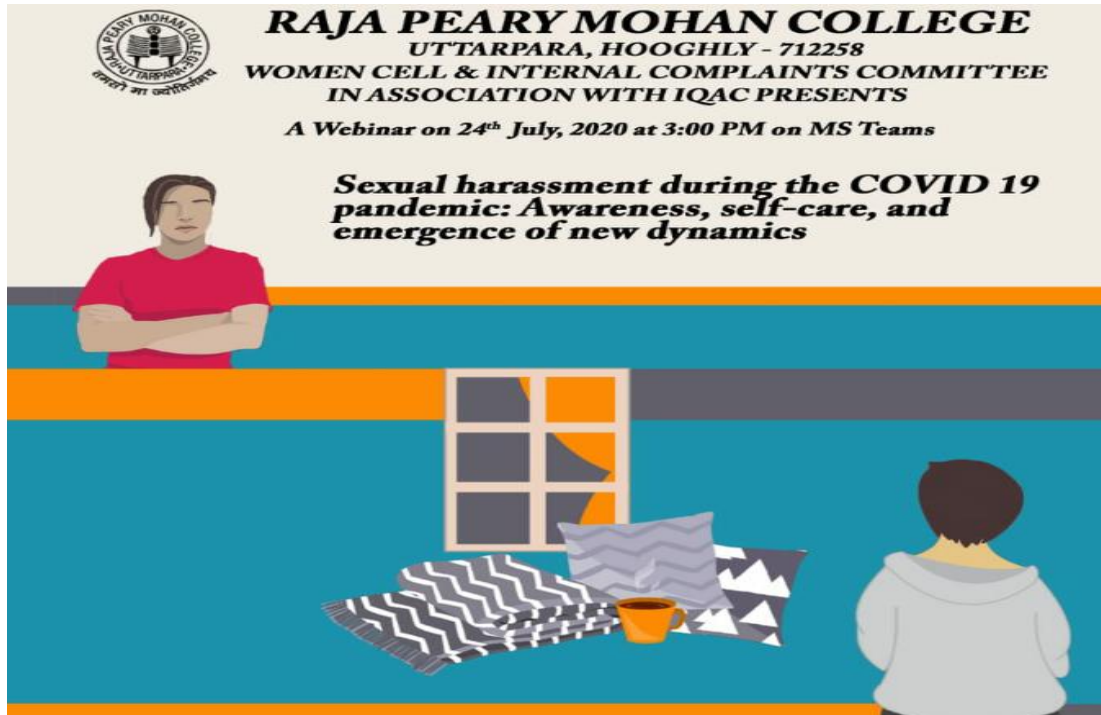

Mitali - - - - the Women Cell of Raja Peary Mohan College was established in 2012. The primary mission of Mitali is to provide a gender-neutral environment so as to ensure basic right to work and study with dignity and to promote gender sensitization among staff and students of the institution. Women Cell aims at accomplishing gender equality, preventing gender discrimination and promoting a social, physical and psychological environment that is congenial for all. Women Cell, thus, plays an active role in gender sensitization and gender related issues. Activities of women cell are varied and diverse ranging from promotion of gender equality and gender sensitization to promotion of social awareness among women regarding health, hygiene and other issues. Women Cell organizes Health Camp in association with eminent organizations like Frank Ross, for routine health check-up of the girl students and women staff of the college. Varied Workshops ranging from stress management to self-defence techniques and seminars/webinars on gender issues like sexual harassment are organized by Women Cell. Cultural programmes are also organized by the Cell to celebrate Women's Day, Mother's Day etc. With active participation of students, Women Cell undertakes various programmes related to community service, self-defence of girls and soft skill development programmes. Women Cell also publishes an annual bi-lingual magazine 'Ardhek Prithibi' on gender related issues.

24th July 2020

Women Cell has organized a Webinar on Sexual Harassment during Covid 19 pandemic in association with Internal Complaints Committee and Internal Quality Assurance Cell of Raja Peary Mohan College. The main spirit of the webinar lies in inculcating awareness on sexual harassment in the context of the Covid 19 pandemic and possible precautionary measures that might be taken.

✚ February 2021

Women Cell, in association with Health Unit, has conducted a survey on personal hygiene among the girl students of our college. The motive behind the survey was to have an idea of the personal hygiene practices of our adolescent students and address their queries on the issue.

Raja Peary Mohan College
