Meeting Report of awareness programme on “GENDER STEREOTYPE”

Conducted by

ICC, Raja Peary Mohan College, Uttarpara, Hooghly
20th May, 2023 at 12:30 PM

An awareness programme on "Gender stereotype" was conducted by ICC, RPMC on 20th May, 2023 in the college lecture hall 401. 50 participants were present in the awareness programme. The session began at 12:30 PM with an introduction by Dr. Moitri Bose Biswas, Associate Prof, Department of Zoology. A welcome note was addressed by Dr. Jaya Maji, ICC chairperson, Asst Prof, Department of physics.

The technical session began with screening short films on "gender stereotype". The movies are the following:

- a) “Gender Equality SHORT FILM Right Parenting” : [LINK TO YOUTUBE VIDEO](#)
- b) “Ladke rote nehi” : [LINK TO YOUTUBE VIDEO CLICK HERE](#)
- c) “Gender Identity” [LINK TO YOUTUBE VIDEO CLICK HERE](#)

Goal of the Workshop

Gender stereotypes are seen across all genders. Creating a gender equal society is a goal to taken up by the institutions and students are the future of that society.

Since ages we have been told to behave in particular ways. Eventually those particular ways became norms and norms became pseudo-natural laws. We say pink for girls but blue for boys, classical dance (e.g kathak, bharat natyam) for girls not for boys, doll for beautiful girl but gun for handsome boy, women to be less masculine and men to never let a teardown from the eye. And we try to fit ourselves in those societal norms.

Take home message was

To be nice to everyone irrespective of gender

To raise your son right vs daughter

When parents stop discriminating between their children gender inequality will reduce automatically

One student from the participants was called to the stage to share his view about the awareness programme.
