This course had been offered at a very low price of Rs. 200 only for each candidate from its inception. All the B.Com semester six students were eligible to participate in this course not only of Raja Peary Mohan College but also the nearby colleges too. After receiving a great response from the previous course once again this course had been introduced in 2022-2023 academic period to develop the knowledge practical application of accounting concepts in the advent of computerized system of record keeping and also the application of the knowledge of assessment of Income Tax.

The objectives of the Course:

- To comprehend the accounting knowledge acquired throughout the graduation.
- To make the students aware of the practical applicability of the accounting knowledge.
- To acquaint the students with the present computerized practices of accounting.
- To introduce the GST (Goods and Services Tax) in the purview of computerized accounting.
- To fill the gap between the theoretical knowledge regarding assessment of Income Tax with the practical assessment through income tax portal.

Course Goals and Target:

- To bridge the gap between the theoretical knowledge and practical applicability.
- To enrich the students with the problem solving strategy regarding computerized accounting.
- To build some professional skills to make participants eligible to earn.

This course was started from the academic year 2021-22 and got tremendous responses not only from RPM College students but from students of various nearby colleges too. For that reason once again this course had been brought before the students during the academic period 2022-2023. The aim of the course is to make the participants aware of the
